

# ClickShare C-10

Interactive wireless presentation for any meeting space

OR

- **Interactive features:**  
touchback, annotation  
and blackboarding
- **Enhanced collaboration**  
with 2 sources on screen
- **Effortless wireless**  
content sharing with the  
iconic ClickShare Button  
for both employees and  
guests
- **Secure and cloud-**  
managed

ClickShare C-10 brings interactive wireless presentation to any meeting space. Content sharing is simple, with just one click on the ClickShare Button (Windows or Mac) or the ClickShare App (laptop, mobile or tablet). Start presenting within seconds: no cables, no software to download, no training needed.

## Product specifications

## CLICKSHARE C-10

### General Specifications

|                                          |                                                                                                                                                                                                                                                                                                            |
